

Tap into the Knowledge of 850 TDM Professionals

As a TDM professional, you may already know about the TRANSP-TDM listserv. The listserv is hosted by the National Center for Transit Research (NCTR), part of the Center for Urban Transportation Research (CUTR) at the University of South Florida. This listserv provides a forum for discussion of all things TDM by over 850 TDM professionals from around the country (and the world). It's a great way to benefit from the experience of others and to stay on top of current issues.

The listserv is free and offers several ways to be connected - 1) receive emails as they are posted, 2) receive a 'digest' once a day containing all of the day's messages, 3) receive an 'index' once a day listing only the subject line of the day's messages, or 4) log in when you choose to read those postings that interest you.

In addition, the listserv archives contain a wealth of information, which is now more accessible via an online Help Desk. The Help Desk knowledge base contains nearly 370 questions and answers received by the listserv and by NCTR's National TDM and Telework Clearinghouse. For many of the questions, NCTR has combined the answers contributed by the members of the listserv, with appropriate attribution to the sources.

To subscribe to the listserv or visit the HELP DESK, go to:

The BWC Race to Excellence has been run for this year and we have winners!

In the Employee Transportation Coordinator category, there are 14 winners at the Gold level, 4 at Silver and 8 at Bronze!

BWC Network members have qualified to win 13 Gold, 1 Silver and 3 Bronze medals!

And the winners are.....

....going to be announced on Wednesday, September 21 at the Association for Commuter Transportation conference!

The variety and creativity of the activities being undertaken to extend the reach of BWC and raise awareness of the value of commuter benefits nationwide is exciting! Be there to share in the recognition of your BWC colleagues!

Thank you for all of the great feedback we received on the article we ran in July on how to do simple and effective email commuter surveys. If you missed it, it's on our website at: [<http://www.bwc.gov/employ/eresources.htm>](http://www.bwc.gov/employ/eresources.htm)

Just click on:

"E-Updates", then "July 2005".

While you're there, be sure to check out the other tools and resources available.
